Terms, Conditions and Responsibilities

1. Commercial Real Estate Efficiency study rebates are available to Xcel Energy business customers in Colorado.
2. Actual rebate amounts are subject to review by Xcel Energy.
3. Xcel Energy's conservation rebate programs are subject to 60 days' notice of cancellation. The customer is responsible for checking with the Business Solutions Center at 1-800-481-4700 to ask whether or not the program is still in effect and to verify program parameters.
4. Rebate will not be paid until after the engineering firm presents the study to customer.
5. Xcel Energy makes no warranties regarding the study. All such warranties are between the engineering firm and the customer. Rebate qualification does not imply any representation or warranty of the study by Xcel Energy.
6. Xcel Energy reserves the right to conduct inspections of installation and/or make a reasonable number of follow-up visits to the customer's facility to verify savings estimates and/or measure implementation.
7. Rebate must be applied for within three (3) months of study presentation.
8. Xcel Energy reserves the right to accept or reject any application, study or portion thereof.
9. Xcel Energy's decision relating to customer eligibility for the study or other issues will be final and binding for all parties.
10. The customer shall be responsible for directing the work of the consultant or the contractor; at no time shall the consultant or contractor be considered an agent, employee, or a contractor of Xcel Energy.
11. Commercial Real Estate Efficiency is a limited-time offer. Customer must apply for the rebate within the program time frame.
