

NOTICE:

XCEL ENERGY WAS HERE.

We checked your trees near our power lines on

_____/_____/_____

- ☐ Your trees will not be pruned now. They will be worked during Xcel Energy's regularly scheduled vegetation management maintenance program. With almost 72,000 miles of power lines in our service area, Xcel Energy performs routine maintenance as a proactive approach to preventing power outages due to trees. You will be notified prior to this work beginning in your area.

- ☐ Xcel Energy will not work on your tree at this time. The tree has sufficient clearance for you to hire a qualified private tree contractor to complete the work.

- ☐ Xcel Energy is scheduling a crew to perform the necessary work within _____ days.

- ☐ Removal of debris as a result of an emergency situation, or after customer-requested tree work, is the tree owner's responsibility.

- ☐ Xcel Energy left a carbon-copy form for you to sign. Signing that form acknowledges Xcel Energy's intention to clear the trees in question for removal.

- ☐ Please sign the form and hang it on your door. Xcel Energy will pick it up on _____.

- ☐ Please sign and mail the form to the address on the back of the form.

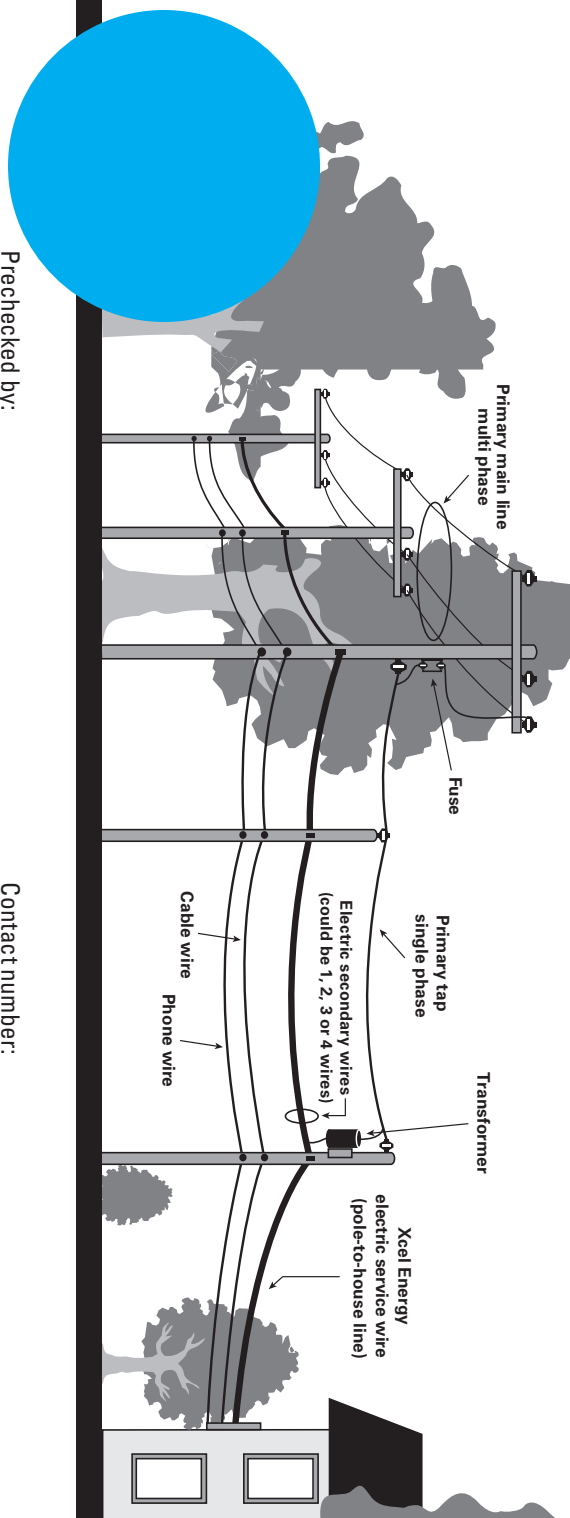

Pole-to-House or Street Light Wires

- ☐ The trees will not be worked at this time because they do not pose an emergency situation. Never attempt to prune or remove any tree limbs near or adjacent to power lines. Call Xcel Energy at **1-800-895-4999** to request a temporary "line drop" to disconnect/de-energize the electric line(s) near the tree(s) in question so you or your private tree worker can perform the tree work. In certain areas, a service fee may apply.

- ☐ The lines are not Xcel Energy electric lines. Xcel Energy does not maintain other utilities' equipment; please call:

☐ the phone company ☐ the cable company ☐ other

- ☐ Please see comments on back.
