

# New pricing for Home Energy Squad.®

Start the New Year with a visit from Home Energy Squad. Our technicians will install \$200 worth of services and equipment in just two hours for only \$50.\*

The cost includes:

- Switching out traditional, incandescent bulbs for LEDs
- Installing a programmable thermostat
- Replacing showerheads with energy-efficient models and more

\*The \$50 trip charge includes installation, labor and materials for the basic services outlined above. Additional quantities of weather stripping and thermostats can be purchased a la carte. Available only to Colorado Xcel Energy combination electric and natural gas residential customers, or electric only customers. Depending on the availability of our Squad, please allow up to 10 days to schedule your visit. For eligibility and service details, visit [xcelenergy.com/HomeEnergySquad](http://xcelenergy.com/HomeEnergySquad).
