

Plan ahead to earn \$100 ECM rebates.

Electronically commutated motors (ECMs) help furnaces run more efficiently and are a cost-efficient improvement. To offset the cost of ECM installation, Xcel Energy will be honoring \$100 rebates through 2019.

Contact your account manager or an energy advisor at **855.839.8862** for a rebate application, or to learn more visit **xcelenergy.com/HeatingEfficiency**.
