

Flip your fridge or freezer and make a cool \$50!

We'll give you a \$50* rebate, pick up your old fridge, and recycle it – for FREE.

Need more incentive to act now?

According to the EPA, you could save \$100 per year or more on your electricity bill by replacing an old refrigerator with a new Energy Star® model. Visit energystar.gov/Refrigerators to learn more!

Recycle your fridge or freezer today.
Visit xcelenergy.com/Fridge or call
866.552.8755 to learn more.

*Participation in this program is subject to important rules and eligibility requirements, including but not limited to certain size requirements and types of units, which are detailed at xcelenergy.com/Fridge.
