

FREE* ways to lower your energy use

\$200 in home improvements

Home Energy Squad visit worth up to \$200

- LED light bulbs
- Programmable thermostat
- Door and attic hatch weather stripping
- High efficiency showerhead and faucet aerators
- Water heater temperature assessment and adjustment

This visit is free if your income qualifies. The Home Energy Squad will come to your door and install energy saving materials on the spot for just \$70.

Call today to schedule: 866.222.4595
or visit **HomeEnergySquad.net**

That's not all!

You may qualify for additional **FREE** weatherization services and appliance replacement.

Based on your income eligibility and individual needs, we customize solutions to save energy and money that may include:

- Attic and/or wall insulation
- Air sealing
- More efficient natural gas furnace, water heater, refrigerator or freezer
- Window air conditioner
- Free recycling of replaced appliances
