

## **A BETTER BULB AWAITS**

Say goodbye to old bulbs and make the switch to ENERGY STAR® certified LED bulbs.

An ENERGY STAR LED bulb saves more than \$55 in electricity costs over its lifetime and lasts at least 12 years.

We provide discounts of up to \$3 per bulb at participating stores near you. Find them at [\*\*xcelenergy.com/LightingDeals\*\*](https://xcelenergy.com/LightingDeals).
