

Flip your fridge and get \$50.

For a limited time, we'll give you a \$50 rebate¹, pick up your old working fridge or freezer, and recycle it — for FREE.

Save money on your energy bill.

Refrigerators 15 years or older use twice as much energy as new ENERGY STAR® refrigerators. Visit energystar.gov/Refrigerators to learn more.

Schedule your free pickup today.

¹Participation in this program is subject to important rules and eligibility requirements, including but not limited to certain size requirements and types of units, which are detailed at xcelenergy.com/Fridge. The \$50 rebate is available for sign-ups between April 1–May 31, 2019. Unit must be collected by June 30, 2019.
