

XCEL ENERGY'S GOT YOU COVERED.

You care about keeping your bills low and your home comfortable. We have two fast, easy solutions that can help you save energy and money for years to come.

REDUCE ENERGY WASTE WITH A VISIT FROM THE HOME ENERGY SQUAD®.

Home improvement examples:

- High-efficiency showerhead and aerators
- LED light bulbs
- Door weather stripping
- Programmable thermostat
- Water heater setback

HOMESMART® REPAIR PLANS OFFER A ONE-STOP SHOP FOR ALL YOUR APPLIANCE REPAIR AND REPLACEMENT NEEDS.

Appliance repair coverage examples:

- Clothes washer
- Refrigerator
- Water heater
- Furnace/HVAC

Your Home Energy Squad advantage:

- Start with a free virtual visit, where a technician will help you identify energy-saving opportunities in your home.
- Depending on your home's needs, you can then schedule an in-home visit. We'll do the work for you!
- Available services include installation of energy-saving materials, insulation inspection, blower-door testing, and more!

Call today to schedule:

651-328-6220 or visit xcelenergy.com/HomeEnergySquad.

HomeSmart plan benefits:

- Enroll in an appliance repair plan for less than \$20 per month — no parts, labor or trip fees for covered repairs.
- Appliance maintenance, repair and replacement for the appliances you choose to cover.
- Our authorized service technicians provide worry-free professional and knowledgeable service.
- We're offering **one month free!** Use promo code **FEBBILL** when you enroll to get your offer.

Leave appliance worry to the experts.

Use promo code FEBBILL to get one month free. Call **866-837-9762** or visit xcelenergy.com/HomeSmart to enroll.
