

## Colorado Renewable\*Connect Capacity Interest Form

Thank you for discussing the next offering of Renewable\*Connect in Colorado with us. We welcome your input and appreciate your assistance in understanding the capacity needs of our customers by completing this form.

Please email this form to your Account or Area Manager.

<b>Organization Name:</b>	Organization
<b>Name of person completing this form:</b>	First Name Last Name
<b>Title of person completing this form:</b>	Title
<b>Today's date:</b>	Click here to enter a date.
<b>Capacity needs:</b> To help us better size a future offering of Renewable*Connect, please provide an estimate of your organization's capacity interest in one of the following formats: kWh per year (total renewable energy subscription desired)	kWh
<b>(Optional) Certified Renewable Percentage:</b> Are you interested in counting Xcel Energy's Certified Renewable Percentage (CRP) as the starting point of your renewable energy participation? CRP would represent the existing share of renewable energy generation on the Xcel Energy system and would allow customers to confidently claim the associated Renewable Energy Credits (RECs).	Select from dropdown.
<b>(Optional) Support before PUC:</b> Are you willing to intervene before the Public Utilities Commission to show support of Renewable*Connect during the filing expected to take place in 2020?	Select from dropdown.
<b>(Optional) Letter of Support:</b> Are you willing to sign a Letter of Support which will also be attached to Xcel Energy's PUC filing?	Select from dropdown.
<b>(Optional) Questions/Comments:</b>
