RENEWABLE CONNECT NATURAL GAS SERVICE		
SCHEDULE RC-NG		
<u>APPLICABILITY</u> Applicable to Residential and Commercial service. Not applicable to resale service.		
<u>DEFINITIONS</u> <u>Contract Term</u> Renewable Connect Natural Gas Service for Residential and Commercial Customers will be a month-month agreement with no minimum contract length. Service may be terminated on thirty (30) days’ notice. At the Company’s discretion, discreet purchases of Renewable Connect Natural Gas to satisfy event-specific participation shall be allowed. Customers may cancel their Renewable Connect Natural Gas contracts by calling Xcel Energy customer service. <u>Renewable Connect Natural Gas Service</u> Customer’s contracted block commitment under this tariff will be added to their monthly natural gas bill. Customer may contract in \$5 monthly blocks, with each block corresponding to a reduction of 0.083 metric tons of CO2e, or roughly 25% of an average residential customer’s natural gas emissions, through RNG and carbon offset purchases. <u>Renewable Connect Natural Gas Rate</u> The Renewable Connect Natural Gas Rate is updated in conjunction with a final Commission Decision in the Company’s most recent Renewal Energy Standard Plan.		
<u>PROGRAM TERMS AND CONDITIONS</u> A Renewable Connect Natural Gas charge will appear as a separate line item on a Customer’s Monthly Bill, charged against the number of Renewable Connect Natural Gas Blocks the Customer purchased. The Renewable Connect Natural Gas rate is in addition to the full retail rate.
