RENEWABLE*CONNECT MONTH TO MONTH SERVICE		
SCHEDULE RC-MTM		
<u>APPLICABILITY</u> Applicable as an option by contract to Customers who take firm service. Not applicable to street lighting, area lighting, Standby, or Resale Service.		
<u>DEFINITIONS</u> <u>Contract Term</u> Renewable*Connect Month to Month Service shall be Month to Month until terminated. Service may be terminated on thirty (30) days' notice. At the Company's discretion, discreet purchases of Renewable*Connect Month to Month to satisfy event-specific participation shall be allowed. Customers may cancel their Renewable*Connect Month to Month contracts by calling Xcel Energy customer service. <u>Renewable*Connect Month to Month Service</u> Customer's Monthly energy for which the Customer has contracted under this tariff. Customer may contract, in one hundred (100) kWh increments, up to Customer's total firm energy usage as used under the standard filed tariff rate. <u>Renewable*Connect Month to Month Rate</u> The Renewable*Connect Month to Month Rate is updated in conjunction with a final Commission Decision in the Company's most recent Renewal Energy Standard Plan.		
<u>PROGRAM TERMS AND CONDITIONS</u> A Renewable*Connect Month to Month charge will appear as a separate line item on a Customer's Monthly Bill, charged against the number of Renewable*Connect Month to Month Kilowatt-Hours (kWh) the Customer purchased. The Renewable*Connect Month to Month rate is in addition to the full retail rate. If a Customer's electricity use is less than their level of Renewable*Connect Month to Month commitment, they will be charged only for what they use. Residents of the City of Boulder who sign up for Renewable*Connect Month to Month receive a credit toward the Climate Action Plan tax. The credit does not appear as a separate line item on the bill and is instead included in the Climate Action Plan tax line item on the bill.
