Interest - Natural Gas Pipeline Company of America

Per Section 15.4 of the General Terms and Conditions of Natural Gas Pipeline Company of America's (Natural) FERC Gas Tariff, the amount due Natural must be paid by shipper on or before February 18, 2020. Any unpaid portion of this bill will accrue interest at the maximum allowable interest permitted under the Commission's Regulations.

Please contact your Account Director if you have questions about the Transportation Invoice or Statement of Account.

Email Address - To add or update the Email address(es) for your account, go to the following link:

http://pipeline.kindermorgan.com

Select "Customer Activities" and Log In. Select a pipeline, navigate to "Preferences" and then "Business Preferences" to update the address (es) for your account. Call Pam Rodgers at (713) 369 - 8937, if you require additional assistance.

Interest - Natural Gas Pipeline Company of America

Per Section 15.4 of the General Terms and Conditions of Natural Gas Pipeline Company of America's (Natural) FERC Gas Tariff, the amount due Natural must be paid by shipper on or before March 16, 2020. Any unpaid portion of this bill will accrue interest at the maximum allowable interest permitted under the Commission's Regulations.

Please contact your Account Director if you have questions about the Transportation Invoice or Statement of Account.

Email Address - To add or update the Email address(es) for your account, go to the following link:

http://pipeline.kindermorgan.com

Select "Customer Activities" and Log In. Select a pipeline, navigate to "Preferences" and then "Business Preferences" to update the address (es) for your account. Call Pam Rodgers at (713) 369 - 8937, if you require additional assistance.

March 5, 2020

To the Customers of Natural Gas Pipeline Company of America

Included on the March 5, 2020 invoice (for February business) is a credit for your portion of the Natural Gas Pipeline Company of America (Natural) Penalty Refund. This refund is for penalty revenues collected by Natural and is being made pursuant to Section 12.8 of the General Terms and Conditions (GTC) of the Natural FERC Gas Tariff. This refund reflects the penalty revenues collected by Natural for the period July 1, 2019 through December 31, 2019. Your refund also includes interest calculated in accordance with 18 C.F.R. Section 154.501. Further information on the calculation of your penalty credit amount is contained in the Penalty Refund Support Schedule included in your Invoice Package.

Request for reallocation must be made in writing to Northern within 6 months of initial month end allocation. For this invoice, the deadline is January 12, 2020.
Measurement corrections must be processed within six months of the production month.

Late Payment Charges are assessed on past due balances paid after the invoice due date.
The base rates were approved June 20, 2005 in Docket Nos. RP03-398 and RP04-155.

Request for reallocation must be made in writing to Northern within 6 months of initial month end allocation. For this invoice, the deadline is September 12, 2020.
Measurement corrections must be processed within six months of the production month.

Late Payment Charges are assessed on past due balances paid after the invoice due date.
The base interim rates were approved by FERC on January 27, 2020 in Docket No. RP19-1353-004, effective January 1, 2020 and subject to refund.

Late Payment Charges are assessed on the past due balances after the invoice date.

Shippers may voluntarily choose to contribute to GRI. All contribution payments must be clearly and specifically marked as 'GRI Contributions', and the GRI Project(s) or Project Area(s) to be funded must be indicated on the payment detail, which should be faxed to your Gas Logistics Representative.
