OF PUBLIC SERVICE COMPANY OF COLORADO

You are hereby notified that Public Service Company of Colorado ("Public Service" or the "Company") has filed with the Colorado Public Utilities Commission ("Commission") changes in its Colorado P.U.C. No. 6 – Gas Tariff to revise the Company's tariff to make housekeeping changes in order to correct typographical and other minor errors, as well as to adjust and clarify certain transportation service-related procedures in order to more accurately reflect operational requirements. These tariff changes will go into effect on October 22, 2020, if approved by the Commission. These proposed tariff changes are textual only, and affect customers on the Firm Gas Transportation Service – Small (TFS), Firm Gas Transportation Service – Large (TFL), and Interruptible Gas Transportation Service (TI) rate schedules. These proposed tariff changes are not expected to affect the Company's rates or revenues.

The Commission may hold a hearing to determine what rates, rules and regulations will be authorized. If a hearing is held, the Commission may suspend the proposed rates, rules or regulations. The rates, rules and regulations ultimately authorized by the Commission may or may not be the same as those proposed, and may include additional revisions.

The Commission may hold a public hearing in addition to an evidentiary hearing on the advice letter. If such a hearing is held, members of the public may attend and make statements even if they did not file comments, objections or interventions. If the advice letter is uncontested or unopposed, the Commission may determine the matter without hearing and without further notice. Anyone desiring information regarding if and when a hearing may be held shall submit a written request to the Commission or, alternatively, shall contact the External Affairs section of the Commission at 303-894-2070 or 1-800-456-0858.
