The filing also proposes to amend the Electric Demand-Side Management Cost Adjustment (“DSMCA”), Electric Commodity Adjustment (“ECA”), Purchased Capacity Cost Adjustment (“PCCA”), Transmission Cost Adjustment (“TCA”), and Transportation Electrification Programs Adjustment (“TEPA”) to include specific rates for SG-TOU Pilot customers in the Company’s Colorado P.U.C. Anyone who desires may file written objection to the proposed action. Written comments or objections shall be filed with the Commission, 1560 Broadway, Suite 250, Denver, Colorado, 80202, or email it to www.dora.state.co.us/pacific/PUC/puccomments.

The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the proposed action. The Commission may hold a public hearing in addition to an evidentiary hearing on the proposed action and that if such a hearing is held, members of the public may attend and make statements even if they did not file comments, objections or a motion for intervention. If the proposed action is uncontested or unopposed, the Commission may determine the matter without a hearing and without further notice. Anyone desiring information regarding when a hearing may be held, shall submit a written request to the Commission or, alternatively, shall contact the Consumer Affairs section of the Commission at 303-894-2070 or 1-800-456-0858.
