

**NOTICE OF A CHANGE IN THE ELECTRIC RATES OF  
PUBLIC SERVICE COMPANY OF COLORADO  
1800 LARIMER STREET, DENVER, COLORADO 80202**

You are hereby notified that Public Service Company of Colorado has filed with the Colorado Public Utilities Commission (“Commission”) an Advice Letter seeking approval of revisions to the Company’s Net Metering Service (“Schedule NM”) and Photovoltaic Service (“Schedule PV”) tariffs beginning April 16, 2024, in the Company’s Colorado P.U.C. No. 8 - Electric tariff.

The primary purpose of this advice letter filing is to implement a new Multi-Unit On-Site Net Metering service under Schedule NM, in compliance with Colorado Senate Bill 21-261 and the Commission’s recently concluded rulemaking in Proceeding No. 23R-0024E. The Company is also proposing several accompanying updates and revisions to its Schedule NM and Schedule PV tariff language to align provisions more accurately with current state statutes and previous Commission decisions. The changes proposed in this advice letter filing will not change any rates or otherwise impact customer bills.

Copies of the current and proposed tariffs summarized above and as filed with the Commission, are available for examination and explanation at the main office of Public Service, 1800 Larimer Street, Suite 1100, Denver, Colorado 80202-5533, and are available by appointment for examination and explanation at the Commission office, 1560 Broadway, Suite 250, Denver, Colorado 80202-5143. However, a copy of this Notice is available on the Company’s website at: [https://www.xcelenergy.com/company/rates\\_and\\_regulations/filings](https://www.xcelenergy.com/company/rates_and_regulations/filings).

Customers who have questions may call the Commission at 303-894-2000, call Xcel Energy at 1-800-895-4999, or fax to Xcel Energy at 1-800-895-2895. Anyone who desires may file written objection to the proposed action. Written comments or objections shall be filed with the Commission, 1560 Broadway, Suite 250, Denver, Colorado, 80202, or email it to [www.dora.state.co.us/pacific/PUC/puccomments](http://www.dora.state.co.us/pacific/PUC/puccomments). The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the proposed action, if held. The filing of written comments or objections by itself will not allow you to participate as a party in any proceeding on the proposed action. If you wish to participate as a party in this matter, you must file written intervention documents in accordance with Rule 1401 of the Commission’s Rules of Practice and Procedure or any applicable Commission order.

The Commission may hold a hearing to determine what rates, rules and regulations will be authorized. If a hearing is held, the Commission may suspend the proposed rates, rules or regulations. The rates, rules and regulations ultimately authorized by the Commission may or may not be the same as those proposed, and may include rates that are higher or lower.

The Commission may hold a public hearing in addition to an evidentiary hearing on the proposed action and that if such a hearing is held, members of the public may attend and make statements even if they did not file comments, objections or an intervention. If the proposed action is uncontested or unopposed, the Commission may determine the matter without a hearing and without further notice. Anyone desiring information regarding if and when a hearing may be held, shall submit a written request to the Commission or, alternatively, shall contact the Consumer Affairs section of the Commission at 303-894-2070 or 1-800-456-0858. Notices of proposed hearings will be available on the Commission website under “News Releases” or through the Commission’s e-filing system.
