

**NOTICE OF REVISION IN THE INTERRUPTIBLE SERVICE OPTION CREDIT OF
COLORADO P.U.C. NO. 8-ELECTRIC TARIFF
OF PUBLIC SERVICE COMPANY OF COLORADO
1800 LARIMER STREET, DENVER, COLORADO 80202-5533**

You are hereby notified that Public Service Company of Colorado (“Public Service” or “Company”) has filed with the Public Utilities Commission of the State of Colorado (“Commission”), in compliance with the Public Utilities Law, an advice letter to revise the Interruptible Service Option Credit (“ISOC”) in the Company’s Colorado P.U.C. No. 8 – Electric tariff, to become effective January 2, 2025, if approved by the Commission

The Company is proposing to update the avoided energy cost in “Part B” of the ISOC tariff in accordance with the Avoided Energy Cost definition on Sheet No. 110I that states: The Avoided Energy Cost shall be updated annually on January 1 at the time the Company updates its Electric Commodity Adjustment (“ECA”) to reflect gas prices in the ECA.

This proposed change revises the avoided energy cost from 0.00011 per kWh to 0.00007 per kWh. The impact on potential credits paid to these customers is de minimis and the total impact cannot be determined as it would be a function of interruptions yet to be implemented. For the same reason, the potential impact on the Company’s annual revenues cannot be determined at this time.

Copies of the current and proposed electric tariffs summarized above and as filed with the Commission, are available for examination and explanation at the main office of Public Service, 1800 Larimer Street, Suite 1100, Denver, Colorado 80202-5533, but are not available at the Commission office, 1560 Broadway, Suite 250, Denver, Colorado 80202-5143. A copy of this Notice is available on the Company’s website at https://www.xcelenergy.com/company/rates_and_regulations/filings. Customers who have questions may call the Commission at 303-894-2000, call Xcel Energy at 800-895-4999 or visit [xcelenergy.com](https://www.xcelenergy.com) and select “Customer Support” for additional ways to contact the company.

Anyone who desires may file written comments or objections to the proposed action. Written comments or objections shall be filed with the Commission, 1560 Broadway, Suite 250, Denver, Colorado, 80202-5143 or filed at: <https://puc.colorado.gov/puccomments>.

The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the advice letter if one is to occur. The filing of written comments or objections by itself will not allow you to participate as a party in any proceeding on the proposed action. If you wish to participate as a party in this matter, you must file written intervention documents in accordance with Rule 1401 of the Commission’s Rules of Practice and Procedure or any applicable Commission order.

The Commission may hold a hearing to determine what rates, rules and regulations will be authorized. If a hearing is held, the Commission may suspend the proposed rates, rules, or regulations. The rates, rules, and regulations ultimately authorized by the Commission may or may not be the same as those proposed, and may include rates that are higher or lower.

The Commission may hold a public hearing in addition to an evidentiary hearing on the application. If such a public hearing is held, members of the public may attend and make statements even if they did not file comments, objections, or interventions. If the application is uncontested or unopposed, the Commission may determine the matter without hearing and without further notice. Anyone desiring information regarding if and when a hearing may be held shall submit a written request to the Commission or, alternatively, shall contact the Consumer Affairs section of the Commission at 303-894-2070 or 1-800-456-0858. Notices of proposed hearings will be available on the Commission website under “News Releases” or through the Commission’s e-filing system.
