

**NOTICE OF FILING FLEXIBLE CONNECTION PROGRAM TARIFFS
OF PUBLIC SERVICE COMPANY OF COLORADO
3500 BLAKE STREET, DENVER, COLORADO 80205-5790**

You are hereby notified that Public Service Company of Colorado (“Company”) has filed with the Colorado Public Utilities Commission (“Commission”) in compliance with the Public Utilities Law, Advice No. 2030 - Electric to implement Flexible Connection Program tariffs in its Colorado P.U.C. No. 8 – Electric tariff to become effective on August 1, 2026, if approved by the Commission.

The principal proposed changes are to establish new tariff provisions for Flexible Energization Service for controllable electric load and Flexible Interconnection Service for Distributed Energy Resources. The Company proposes to provide optional non-firm electric service and interconnection arrangements under which participating customers operate subject to Company-established operating limits, schedules, and curtailment conditions in exchange for earlier or more flexible access to electric service or interconnection where full firm service is not available or would require system upgrades.

Copies of the current and proposed Flexible Connection Program tariffs summarized above and as filed with the Commission, are available for examination and explanation at the main office of Public Service, 3500 Blake Street, Denver, Colorado 80205-5790, and available by appointment at the Commission office, 1560 Broadway, Suite 250, Denver, Colorado 80202-5143. Also, a copy of this Notice is available on the Company’s website at https://www.xcelenergy.com/company/rates_and_regulations/filings. Customers who have questions may call the Commission at 303-894-2000, call Xcel Energy at 1-800-895-4999, or visit [xcelenergy.com](https://www.xcelenergy.com) and select “Customer Support” for additional ways to contact the Company. Anyone who desires may file written comments or objections to the proposed action. Written comments or objections shall be filed with the Commission, 1560 Broadway, Suite 250, Denver, Colorado 80202-5143 or by visiting <https://puc.colorado.gov/participate>. The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the proposed action. The filing of written comments or objections by itself will not allow you to participate as a party in any proceeding on the proposed action. If you wish to participate as a party in this matter, you must file written intervention documents in accordance with Rule 1401 of the Commission’s Rules of Practice and Procedure or any applicable Commission order.

The Commission may hold a hearing to determine what rates, rules, and regulations will be authorized. If a hearing is held, the Commission may suspend the proposed rates, rules, or regulations. The rates, rules, and regulations ultimately authorized by the Commission may or may not be the same as those proposed and may include rates that are higher or lower.

The Commission may hold a public hearing in addition to an evidentiary hearing on the proposed action and that if such a hearing is held, members of the public may attend and make statements even if they did not file comments, objections, or an intervention. If the proposed action is uncontested or unopposed, the Commission may determine the matter without a hearing and without further notice. Anyone desiring information regarding if and when a hearing may be held, shall submit a written request to the Commission or, alternatively, shall contact the Consumer Affairs section of the Commission at 303-894-2070 or 1-800-456-0858. Notices of proposed hearings will be available on the Commission website under “News Releases” or through the Commission’s e-filing system.
