

ELECTRIC TARIFF

RULES, REGULATIONS AND CONDITIONS OF SERVICE

6. CONTINUITY OF SERVICE

Company will use reasonable diligence to supply steady and continuous service. Company will be liable to Customer for any damages occasioned by irregularities or interruptions only when such damages are the result of negligence on the part of the Company.

The Company shall not be liable to the Customer nor shall the Customer be liable to the Company by reason of failure of the Company to deliver or the Customer to receive electrical energy as the result of fire, strike, riot, explosion, flood, accident, breakdown, acts of God, the public enemy, or other conditions beyond the control of the party affected; it being the intention of each party to relieve the other of the obligation to supply or to receive energy when, as a result of any of the above mentioned causes, either party may be unable to delivery or use, in whole or in part, electrical energy to be delivered or received.
