Subject line: Important information about natural gas rates

The Pipeline System Integrity Adjustment rider (PSIA) allows us to collect funds for certain important natural gas system investments. We have filed to extend the PSIA to include costs incurred from January 1, 2022 through December 31, 2024. If approved, this may affect your bill. For more information, visit [xcelenergy.com/company/rates\\_and\\_regulations/filings](https://www.xcelenergy.com/company/rates_and_regulations/filings).
