OFF-PEAK HOURS: All other hours not covered in the On-Peak period.

Customers must contract for service under this tariff for a minimum of 12 consecutive calendar months.

TERMS OF PAYMENT: Net in 20 days after mailing date. If the Twentieth day falls on a holiday or weekend, the date will be the next workday.

CHARACTER OF SERVICE: A-C; 60 hertz; secondary voltage, either single phase 120/240 volts; or where available, three phase 240 volts.

LINE EXTENSIONS: Company will make line extensions in accordance with its standard line extension policy.

FRANCHISE FEE: All current and future franchise fees not included in base rates shall be separately assessed in the municipality where the excess franchise fee is authorized. Bills computed under the above rate will be increased by the additional franchise fees imposed by the appropriate municipality or taxing authority in which jurisdiction Customer's consuming facility resides, when applicable. The franchise fee will appear on the bill as a separate item.

FUEL COST ADJUSTMENT: All service taken under this rate is subject to the provisions of the Company's Rate Schedule No. 72 Fuel and Purchased Power Cost Adjustment Clause.

AVERAGE MONTHLY PAYMENT: Upon request, any residential Customer may be billed monthly based on a levelized payment plan. A Customer's levelized monthly payment amount is calculated by obtaining the most recent twelve months of actual consumption, dividing that amount by twelve, and applying Company's current rates to the average kWh consumption. Company's current rates shall include Company's most recent applicable fuel and purchased power cost adjustment charge per kWh as specified by NMPRC Rule 550 (NMAC 17.9.550). Each levelized monthly payment account is automatically reviewed

AVERAGE MONTHLY PAYMENT (cont.):

every three months. If the review shows an annual payment surplus or deficiency that exceeds a corporate-wide annual variance threshold, the account will be adjusted to reflect the most current average.

The account will be settled every twelve months. The settlement amount will be equal to the difference between the total of the prior twelve months' levelized payments and the actual billings for the corresponding most recent twelve-month period. A Customer may enter the levelized payment plan during any month of the year and may exit the plan at any time by providing 30 days written notice and paying any balance due Company. Any over-collection will be credited on Customer's next regular billing.

TAX ADJUSTMENT: Billings under this schedule may be increased by an amount equal to the sum of the taxes payable under the Gross Receipts and Compensating Tax Act and of all other taxes, fees, or charges (exclusive of ad valorem, state and federal income taxes) payable by the utility and levied or assessed by any governmental authority on the public utility service rendered, or on the right or privilege of rendering the service, or on any object or event incidental to the rendition of the service.

RULES, REGULATIONS AND CONDITIONS OF SERVICE: Service supplied under this schedule is subject to the terms and conditions set forth in Company's Rules, Regulations and Conditions of Service on file with the New Mexico Public Regulation Commission.
