

Overview of Flat/Fixed Bill Offerings in Other Jurisdictions

Oklahoma Gas and Electric Company Guaranteed Flat Bill – Residential (R-GFB)

Criteria:

- Intended for domestic use in a residence
- Available to residential customers who have been in their current residence over the previous 12 months, have had their electricity priced on the applicable residential tariffs and riders over the past 12 months, and are currently in good standing with OG&E Electric Services
- All customers must be in separately metered buildings
- No resale or sharing of service with others

Contract Terms:

- Period of one year; bill amount updated on a yearly basis based on most recent 12 to 24 months of individual weather-normalized historical usage, with automatic yearly renewal unless notified by customer
- Risk factor of up to 10 percent included in bill calculation

Exiting Program Outside Renewal Period:

- Customers departing program before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard residential tariff (no refunds)
- OG&E may return customer to standard residential tariff if actual usage in a 3-month period exceeds expected usage under flat bill tariff by at least 30 percent

Tariff Sheets: Third Revised Sheet No. 3.40 through Third Revised Sheet No. 3.41

Authority: Oklahoma Corporation Commission Docket No. PUD 201700496, Order No. 679359 (eff. July 1, 2018); Docket No. PUD 201500273, Order No. 662059 (eff. May 1, 2017); Docket No. PUD 201100087, Order No. 599558 (eff. Aug. 2, 2012); Docket No. PUD 200800398, Order No. 569281 (eff. Aug. 3, 2009)

**Gulf Power
Residential/Commercial Fixed Rate (FLAT-1)**

Criteria:

- Available to customers in good credit standing with Gulf Power, who have had valid billing information for service pursuant to standard general or residential tariffs at their current premise for the past 12 months (excluding temporary service)
- All service must be at same voltage, from a single delivery point, measured by a single meter

Contract Terms:

- Period of not less than one year; bill amount updated yearly based on previous year's weather-normalized consumption, with automatic renewal unless notified by customer
- Deposit of twice the estimated average monthly bill may be required
- Risk adder of up to 5 percent included in bill calculation

Exiting Program Outside Renewal Period:

- Customers departing program before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard tariff
- Gulf Power can waive early departure charges if consequence of significant damage caused by a natural disaster or other declared emergency

Tariff Sheets: Ninth Revised Sheet No. 6.39 through Fifth Revised Sheet No. 6.41

Authority: Florida Public Service Commission (eff. Mar. 29, 2019 and July 11, 2019)

**Georgia Power
FlatBill Schedule (FLAT-5)**

Criteria:

- Available to residential customers located at premises having at least 12 months of metered usage history, who are currently in good financial standing with Georgia Power
- Must have monthly calculated billing amount of at least \$25
- All customers must have separately metered dwellings or facilities
- No resale or sharing of service with others

Contract Terms:

- Period of one year, with no true-up at end of period; bill amount updated yearly based on previous year's weather-normalized consumption (adjusted for vacancy), with automatic renewal unless notified by customer
- Risk adder of up to 10 percent included in bill calculation
- Senior citizen customers 65 years and older with a household income not exceeding 200 percent of the federal poverty level for individuals may receive a bill discount of up to \$24 per month at their primary residence

Exiting Program Outside Renewal Period:

- Customers departing program before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard residential tariff (no refunds)
- Georgia Power may return customer to standard residential tariff if actual usage in a given month is at least 50 percent greater than usage in same month of previous year

Tariff Sheets: First Revised Page 2.00 (pages 1-3)

Authority: Georgia Public Service Commission (eff. Jan. 1, 2020)

**Duke Energy Indiana
Your FixedBill (Standard Contract Rider No. 20)**

Criteria:

- Available to a limited number of residential customers on a first come, first serve basis
- Customers must have lived in current residence, with their electricity priced on Duke Energy's standard residential or Your FixedBill tariffs, for at least the previous 12 months
- Customers must have 12 months of actual meter reads and a load profile that can be modeled with reasonable predictability
- Customers must be current on their electric bill with no disconnections for non-payment of electric service within the last 12 months

Contract Terms:

- Period of 12 months; bill amount updated yearly based on previous 12 or more months of weather-normalized usage, with automatic renewal unless notified by customer; customers notified of new contractual amount before end of each 12-month period
- Program fee of up to 9 percent included in bill calculation to mitigate risk

Exiting Program Outside Renewal Period:

- Customers departing from program, moving from residence, entering into payment arrangement plans, or disconnected for non-payment before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard residential tariff (no refunds; \$50 administration fee unless due to move from residence)
- Customers returning to standard residential tariff within 30-day grace period of automatic renewal may withdraw without paying \$50 administration fee or early departure charges
- Duke Energy may remove customers who have two or more instances where meter readers cannot access customer's meter
- Duke Energy may update pricing for Your FixedBill customers if, after two letters warning of excess usage, customer's actual usage for any month is at least 15 percent greater than expected usage; if customer does not accept new amount, Duke Energy may remove them from program

Tariff Sheets: Fourth Revised Sheet No. 20 (pages 1-3)

Authority: Indiana Utility Regulatory Commission (eff. Dec. 30, 2015)

**Duke Energy Florida
FixedBill Program (FB-1)**

Criteria:

- Available to residential customers who have lived in current residence with their electricity priced on Duke Energy's standard residential tariffs for at least the previous 12 months
- Customers must be current on their electric bill and have a load profile that can be modeled with reasonable predictability
- Customers must not have defaulted on a payment arrangement, entered into a multi-month payment arrangement, had a declined payment, or been disconnected for non-payment of electric service within the last 12 months
- Not applicable to Net Metering customers, customers with multiple electric meters on one account, Non-Standard Meter Rider customers, or Budget Billing customers

Contract Terms:

- Period of 12 months; bill amount updated yearly based on previous 12 or more months of weather-normalized usage, with automatic renewal unless notified by customer; customers notified of new contractual amount before end of each 12-month period
- Risk Adder of up to 6 percent included in bill calculation
- Usage Adder of 4 percent (initially) to 6 percent included in bill calculation (only applied during customer's first year in program)

Exiting Program Outside Renewal Period:

- Customers departing from program, moving from residence, or disconnected for non-payment before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard residential tariff (no refunds)
- Customers returning to standard residential tariff within 30-day grace period of automatic renewal may withdraw without paying early departure charges
- Duke Energy may remove customers from program if total actual energy usage in months 3 through 9 of the contract year exceeds predicted weather-adjusted usage by at least 30 percent for at least 3 months (customers will be notified of risk of removal)
- Duke Energy can waive early departure charges for circumstances directly related to a natural disaster or other declared emergency, or if presented with evidence customer is deceased before end of 12-month contract period

Tariff Sheets: First Revised Sheet No. 6.390 through Original Sheet No. 6.392

Authority: Florida Public Service Commission (eff. Mar. 1, 2018 and Dec. 1, 2018)

**Alliant Energy Wisconsin
Fixed Amount Bill Rider (FA-1)**

Criteria:

- Available to residential customers taking electric service at their premise for a minimum of 12 prior billing months, who are in good financial standing, and who are eligible to receive service under the standard residential tariff

Contract Terms:

- Period of 12 months; bill amount updated yearly based on previous year of weather-normalized usage for both heating and cooling degree days, with automatic renewal unless notified by customer within 30 days of receiving renewal contract offer (to be sent in 11th month of program)
- Monthly flat bill replaces Customer Charge and Energy Charge otherwise applicable under standard residential tariff, with no fuel adjustment surcharges; otherwise, terms of standard residential tariff apply
- Guaranteed Amount Adder of up to 10 percent included in bill calculation
- Customers choosing service under Fixed Amount Bill Rider waive rights to any billing adjustments arising from claims their bill would have been cheaper on an alternative rate schedule for any period of time

Exiting Program Outside Renewal Period:

- Customers departing program, removed from program, or moving from residence before end of 12-month contract period must pay difference between amount billed under flat bill tariff and standard residential tariff (\$30 administration fee unless due to move from residence; in case of overpayment, refund will be applied)
- Alliant Energy may return customers to standard residential tariff if customer's recorded usage at end of 6 months exceeds expected usage by at least 50 percent

Tariff Sheets: First Revised Sheet No. 3.40 through First Revised Sheet No. 3.41

Authority: Wisconsin Public Service Commission Order No. 6680-TE-105 (dated Oct. 10, 2019)
