ELECTRIC RATES	RATE
<b>SECONDARY VOLTAGE TIME-OF-USE – ELECTRIC VEHICLE SERVICE</b>	
<b>SCHEDULE S-EV</b>	
<u><b>RULES AND REGULATIONS</b></u>	
<p>Service supplied under this schedule is subject to the Company’s Rules and Regulations on file with the Public Utilities Commission of the State of Colorado and the following special conditions:</p>	
<ol style="list-style-type: none"> <li>1. <u>Except when Customer is taking Electric Vehicle charging service under Schedule EVC,</u> Customer is responsible for all necessary requirements to install own, operate, maintain the Electric Vehicle charging equipment including but not limited to any licenses, fees and permits as may be required by a state, county or local entity having jurisdiction.</li> <li>2. <b>Critical Peak Pricing Period Notice:</b> The Company shall provide Customers notice of a Critical Peak Pricing Period no later than 4 p.m. Mountain Time the day before a Critical Peak Pricing Period is established. Customers will be notified of the Critical Peak Pricing Period for the following day either by e-mail, by leaving a voice message at the Customer’s primary phone number or through other methods agreed to by the Company and the Customer. If the primary number is unavailable, a voice message will be left at a secondary phone number provided by the Customer. Successful notification will be determined either by receipt of a voice mail at the primary or secondary phone number or by delivery receipt of an electronic mail message. The Company may elect to remove the Customer from service hereunder if the Company cannot notify the Customer as to the terms set forth herein more than once during the Service Period.</li> </ol>
