During implementation of the 2021-22 DSM Plan, the Company identified errors in several deemed savings worksheets included in the filed Plan documentation. The errors corrected in this Notice were strictly limited to typos. All related forecasts and budgets included in the 2021-22 DSM Plan were built using the correct information, so these errors did not impact the savings calculations included in the filed forecasts.

Impacted deemed savings worksheets include:

- Envelope,
- Direct Install Strip Curtains,
- Residential Ground Source Heat Pumps,
- Residential Air Source Heat Pumps,
- Mini-split Heat Pumps,
- Residential Energy Star Radon Fans,
- Residential Evaporative Cooling,
- Study & Non-Achievement,
- Heat Pump Water Heaters, and
- Water Heater Demand Response.
