

**➤ Summary of 60-Day Notice: Refrigerator & Freezer Recycling**

Public Service Company of Colorado (“the Company”) posts this 60-Day Notice to make changes to the Refrigerator & Freezer Recycling product in response to the 2020 Comprehensive Evaluation.

The evaluation provided key findings in the areas of customer participation, marketing messaging and low-income outreach.

The Company will implement the following recommendations in 2021:

- Update the prospective net-to-gross ratio (“NTGR”) for measures offered within the product to 80%;
- Emphasize and describing client requirements to increase participation;
- Adjust marketing messaging and conducting outreach to reach a broader client base including lower income prospects; and
- Consider focus groups implementation to better understand decision-making process for non-participants.

**Table 1: Summary of Forecasted Impacts: Refrigerator & Freezer Recycling**

	2021		2022	
	<i>As Filed</i>	<i>Revised per 60-day</i>	<i>As Filed</i>	<i>Revised per 60-day</i>
Electric Savings (kWh)	3,503,273	4,890,288	3,569,530	4,981,636
Electric Demand Reduction (kW)	479	670	509	713
Budget*	\$350,000	\$350,000	\$355,000	\$355,000
Electric MTRC Test Ratio	1.16	1.50	1.19	1.54

\*Rebates only. While the anticipated expenditure impacts are forecasted, the Company acknowledges that this Notice does not change the filed budget.

Detailed responses to each of the Comprehensive Evaluation recommendations can be found in the matrix included with the report.
