In accordance with the Settlement Agreement approved by the Commission in Decision No. C15-0292 in Proceeding No. 14AL-0660E, the Company is required to submit an annual filing, on or around April 15, and provide detailed cost information on eligible CACJA projects from the previous year, explain material deviations between forecasted and actual costs, and provide sufficient documentation to demonstrate that no costs in the CACJA Rider were also recovered in the Company’s Base Rates. In addition, the Company is required to file robust direct testimony justifying expenditures as set out in Decision Nos. C12-0159<sup>1</sup> and C12-0163<sup>2</sup>.

and costs undertaken during calendar year 2017 and satisfies the requirements of the Settlement Agreement and Commission order.

In this 2017 CACJA Annual Filing, Public Service demonstrates that the Company's implementation of the CACJA Projects eligible for inclusion in the 2017 CACJA Rider was prudent, that the actual variable non-fuel operations and maintenance ("O&M") expenses and capital expenditures for those CACJA projects was prudently incurred, and that the resultant 2017 actual CACJA revenue requirements are reasonable.

Public Service is providing public notice of the filing of the 2017 CACJA Annual Filing as detailed below, and further respectfully requests that the Commission provide additional notice of this filing through the E-Filing system to all persons registered to receive notices about electric matters. Public Service will provide notice of the 2017 CACJA Annual Filing by the following three methods:

- Filing the 2017 CACJA Annual Filing with the Commission.
- Publishing a legal notice in the Legal Classified section of *The Denver Post* on Wednesday, April 18, 2018.
- Posting to the Company's website the 2017 CACJA Annual Filing and the public versions of all related attachments.

A copy of the legal notice that Public Service will publish in *The Denver Post* on Wednesday, April 18, 2018, is attached to this Notice of Filing.

A copy of this Notice of Filing and the above-described 2017 CACJA Annual Filing will be served electronically on all parties in Proceeding No. 14AL-0660E as listed on the attached Certificate of Service.

DATED this sixteenth day of April 2018.

Respectfully submitted,
