

➤ Summary of 60-Day Notice: Multifamily Buildings

The following 60-Day Notice summarizes the Company's action to add measures in the Multifamily Buildings product.

The Company is including with this Notice:

- Updated Deemed Savings worksheets; and
- Updated Technical Assumptions worksheets.

A copy of this notice is available on our website at:

https://www.xcelenergy.com/company/rates_and_regulations/filings/colorado_demand-side_management

Customers participating in the Multifamily Buildings product have shown interest in a 1.25 gpm showerhead and a 1.0 gpm kitchen aerator as an eligible measure. The Company has researched and developed deemed savings for these measures which offer incremental energy savings relative to baseline and efficient measures included in the Company's DSM Plan. These measures will be promoted to all participating customers in 2019 and future program years.

Table 1: Summary of Forecasted Impacts: Multifamily Buildings

	2019	
	<i>As Filed</i>	<i>Revised per 60-day</i>
