Xcel Energy Wind Expansion

The nation’s largest multi-state investment in wind energy

A quick glance at our plan to deliver more low-cost, clean energy to customers, saving billions of dollars in fuel and other costs over the lives of the projects

Plans for 12 wind farms in seven states

3,686 megawatts installed by the end of 2021

For more than a decade the American Wind Energy Association has recognized Xcel Energy as a national leader in wind energy
