Rebate details

Xcel Energy issues cash rebates in the form of checks or utility bill credits. ACH payments are available to customers enrolled in Auto Pay through My Account. Xcel Energy is not responsible for inaccurate information provided by other sources about the amount and/or condition of the actual rebate or equipment eligibility.

Qualifying account holders

Xcel Energy natural gas residential account holders in North Dakota are eligible for heating system rebates when buying qualifying equipment.

Rebates for new home construction should be negotiated between the builder and resident or new home buyer to determine who receives the rebate.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy Rebate program.

Application details

Account holder applications must be postmarked no later than September 30 of the year following purchase date of qualifying equipment.

Applications must include complete contractor information and information about the equipment including but not limited to manufacturer name, model number and serial number. In addition to this application, send Xcel Energy a dated purchase receipt/invoice that includes a description of what was purchased and the cost. A proposal or estimate are not acceptable forms for proof of purchase. Please visit us at xcelenergy.com/HomeRebates or call 800-895-4999 for more information.

Limitations

Rebates are only available for purchases of new qualified equipment; used or pre-owned equipment are not eligible for the rebate.

Rebate qualifications and amounts are subject to change at any time. Our rebate programs may be cancelled or modified with 30 days notice. Xcel Energy reserves the right to refuse payment and participation if the account holder or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to account holder as a result of a contractor misrepresenting the program. Xcel Energy reserves the right to refuse payment if the customer violates terms. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment. Please visit us at xcelenergy.com/HomeRebates or call 800-895-4999 to determine whether any program changes have occurred.

All information on the receipt or invoice must precisely match the information on the rebate application or the application will be returned.

We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. Your assistance is appreciated.

Equipment must be listed on the AHRI site (ahridirectory.org, residential section) to be eligible for rebate. Submitting an AHRI certificate along with your application and invoice is highly recommended because the AHRI list changes frequently. AHRI certificates that are printed and sent in with the rebate application will be honored even if the equipment is no longer listed on the website.

Special promotions

During special promotions for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Promotional rebate amounts will be automatically calculated by Xcel Energy.

Help with forms

If you have questions while filling out this form, please contact your contractor for assistance. Please allow up to eight weeks for your rebate to arrive. You can call 800-895-4999 for status of your application.
