

# Solar\*Rewards® Income Qualification Verification Form

The purpose of this form is to verify that Xcel Energy customers who have participated in energy assistance or weatherization programs within the last 24 months meet the income-based eligibility requirements to participate in Xcel Energy’s Solar\*Rewards Income Qualified program for Xcel Energy’s Colorado residential electric customers.

Customers’ income-based eligibility must be verified by the organization that implements the energy assistance or weatherization program in which the customer is enrolled.

- Energy Outreach Colorado (EOC)
- Colorado LEAP Program
- Grid Alternatives
- Colorado Energy Office’s income verification partner agencies (listed on last page of this form)

To be eligible for Xcel Energy’s Solar\*Rewards income qualified programs, the customer must meet one or more of the following criteria:

- Median household income less than or equal to 200% of the federal poverty guideline;
- Median household income less than or equal to 80% of area median income; or,
- Qualification under income guidelines adopted by the Department of Human Services, pursuant to Section 40-8.5-105, C.R.S.

In addition to meeting the income-based eligibility requirements reflected on this form, the customer’s ability to enroll and participate in Xcel Energy’s Solar\*Rewards income qualified programs is subject to available capacity, program eligibility requirements and applicable terms and conditions. Xcel Energy and the Colorado Public Utilities Commission may also perform an audit to separately verify that the customer meets the income-based eligibility requirements reflected on this form.
