HELPING COMMUNITIES BUILD AN ENERGY FUTURE

PARTNERS IN ENERGY
An Xcel Energy Community Collaboration

Partners in Energy provides the tools and resources to support communities in achieving their energy goals. The program offerings include support to develop an energy action plan or electric vehicle plan, tools to help implement your plan and deliver results, and resources designed to help the communities we serve stay informed and achieve their energy goals.

Additional resources to boost results

In addition to our team, tools and resources, we provide opportunities for you to interact and network with other communities participating in Partners in Energy.

COMMUNITY SUMMITS

Attend in-person events with other communities to share best practices. We provide educational opportunities that feature experts on current energy topics and opportunities to learn from each other.

OFFICE HOURS

Attend monthly webinars that cover trending topics, plus access to and examples of initiatives and activities happening in Partners in Energy communities. Ask questions and share experiences.

ONLINE PORTAL

Get access to documents related to your community's work, and examples of other community goals, strategies, and collateral. It connects you to a variety of community program materials, a collateral library, toolkits for outreach and education, as well as collaboration forums.

Keeping graduates energized

We invite communities that have participated to stay engaged. Since you've developed a blueprint for your energy future, we have resources to keep your momentum going and keep you up to date with what's new at Xcel Energy.
