

South Dakota Lighting Efficiency Rebate Program Updates

New rebates for LED high and low bay fixtures

Rebates are available for LED high/low bay fixtures that are installed to replace existing HID fixtures. Qualifying fixtures that have an invoice date of January 1, 2019 or later are eligible to receive these rebates.

New equipment		Existing equipment	Rebate
LED high/low bay fixtures	95W-189W	HID fixtures	\$100/fixture
	190W-290W		\$120/fixture
	291W-464W		\$150/fixture
	465W-625W		\$200/fixture

Changes to rebate levels

As LEDs continue to grow in popularity, the unit cost associated with this technology has decreased. To align our rebates with current market pricing, the following rebates levels have been reduced. Qualifying fixtures and lamps that have an invoice date of January 1, 2019 or later will receive the 2019 rebate levels.

Retrofit project rebates:

Lighting technology		2018 rebate level	2019 rebate level
Interior applications			
LED fixtures/downlights	≤ 25W	\$35/fixture	\$20/fixture
	26W-50W	\$50/fixture	\$40/fixture
LED lamps	≤ 5W	\$7/lamp	\$4/lamp
	6W-10W	\$12/lamp	\$6/lamp
	11W-20W	\$15/lamp	\$8/lamp
Exterior applications			
LED wall pack fixtures	≤ 5W	\$35/fixture	\$25/fixture
	26W-50W	\$75/fixture	\$50/fixture
	26W-50W	\$100/fixture	\$80/fixture

New construction project rebates:
