Rebate details

Xcel Energy issues cash rebates in the form of checks, not utility bill credits. Xcel Energy is not responsible if your contractor provided inaccurate information about the amount and/or conditions of the actual rebate or equipment eligibility.

Application details

Account holder applications must be postmarked no later than July 31 of the year following installation of qualifying equipment.

Only one rebate per piece of equipment will be paid.

An application that is denied due to equipment ineligibility will not be accepted with changed model numbers.

Xcel Energy reserves the right to refuse payment and participation if the account holder or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to the account holder as a result of a contractor misrepresenting the program. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties).

If the rebate application is submitted with enough information to write a rebate check, Xcel Energy cannot allow later corrections or additions.

All information on the receipt or invoice must match the information on the rebate application or the application will not be processed.

We reserve the right to conduct random inspections to verify quality installation of the rebated equipment at the address indicated on the front of this form. Your assistance is appreciated.

Limitations

Rebate qualifications and amounts are subject to change at any time. Our rebate programs may be cancelled with 30 days notice. Please visit us at xcelenergy.com/HomeRebates or call 800.895.4999 to determine whether any program changes have occurred.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy rebate program.

Special promotions

During special promotions for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Xcel Energy will not pay special promotion incentive dollars in the event that a form is lost or not postmarked by the deadline, with no exceptions. Promotional rebate amounts will be automatically calculated by Xcel Energy. Promotion deadlines close at midnight on the date the application is due, with no exceptions.

Help with forms

If you have questions while filling out this form, please contact your contractor for assistance. Please allow up to eight weeks for your rebate to arrive. You can call 800.895.4999 for status of your application.

Qualifying account holders

Xcel Energy electric residential account holders in Colorado are eligible for rebates when buying a Western Cooling Control device.

Account holder equipment must be purchased from and installed by a contractor who is currently registered with Xcel Energy's High-Efficiency Cooling Rebate program and has a current NATE technician on staff.

Rebate – \$35 for the Western Cooling Control device

Account holder's current central air conditioning unit must have been installed in 2009 or prior. Your contractor must provide the age, SEER rating and cooling capacity of the existing unit on both the application and invoice. Rebate is only available for the purchase and installation of a Western Cooling Control device.

If two devices are installed on two different units, two rebate applications must be submitted.

Please include the items listed below on your application form and purchase receipt. If all of the items are not included the rebate cannot be given.

Send to Xcel Energy (and keep a copy):**1. Your purchase receipt/invoice, with these details:**
