Rebate details

Xcel Energy issues cash rebates in the form of checks, not utility bill credits. Xcel Energy is not responsible if your contractor provided inaccurate information about the amount and/or conditions of the actual rebate or equipment eligibility.

Application details

Account holder applications must be postmarked no later than July 31 of the year following installation of qualifying equipment.

No phone calls will be accepted to provide equipment verification.

A copy of the dated sales receipt or invoice with specific equipment must accompany complete information on the front of this form.

Xcel Energy reserves the right to refuse payment and participation if the account holder or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to account holder as a result of a contractor misrepresenting the program.

All information on the receipt or invoice must match the information on the rebate application or the application will be returned.

We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. Your assistance is appreciated.

Limitations

Rebate qualifications and amounts are subject to change anytime. Our rebate programs may be cancelled with 30 days notice.

Please visit us at xcelenergy.com/HomeRebates or call 800.895.4999 for more information.

Special promotions

During special promotions for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. No exceptions. Promotional rebate amounts will be automatically calculated by Xcel Energy.

Help with forms

If you are building a new home, you must obtain a sales receipt for the equipment from your builder. Only one rebate per piece of equipment will be paid.

If you have questions while filling out this form, please contact your contractor for assistance. Please allow up to eight weeks for your rebate to arrive.

You can call 800.895.4999 for status of your application.

Qualifying account holders

Xcel Energy electric residential account holders in Colorado are eligible for rebates when buying qualifying, high-efficiency, new ductless mini-split heat pumps. Reconditioned equipment is not eligible.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy rebate program.

Rebates

Efficiency rating	Rebate
Ductless mini-split heat pump (15+ SEER, 9+ HSPF*)	\$300

*After May 2nd minimum EER of 11 is also required.

Note: Local, state or federal tax credits or rebates may also be available for energy-efficient home improvements. Ask your tax advisor or visit energystar.gov.

Qualifying equipment

Ductless mini-split heat pumps must be AHRI-rated with an efficiency level of at least 15 SEER and 9 Heating Seasonal Performance Factor (HSPF). After May 2, 2017 a minimum EER of 11 is also required.

Verify the equipment is eligible at www.ahridirectory.org in the Residential section, under "Variable-speed Ductless Mini-Split and Multi-Split Heat Pumps."

There is no limit to the number of ductless mini-split heat pump rebates. If you install two units, you must submit two rebate applications.

Ducted or mix-ducted mini-split heat pumps do not qualify.

Ductless, ducted, or mix-ducted mini-split air conditioners (cooling only) do not qualify.

Please include the items listed below on your application form and purchase receipt/invoice. If all of the items are not included the rebate cannot be given.
