*NOTE: Instant rebates are only available for standard coolers.		

### There are three ways to get your rebate:

- 1 INSTANT REBATE** at checkout at participating stores. Available for standard coolers only.
- 2 ONLINE REBATE FORM** at [xcelenergy.com/digital\\_](https://xcelenergy.com/digital_) application. Customer email address required; allow up to eight weeks for check delivery.
- 3 MAIL-IN REBATE FORM** available in-store or online. Allow up to eight weeks for check delivery.

### An instant rebate is the fastest way to save!

 Visit [xcelenergy.com/evaporativecooling](https://xcelenergy.com/evaporativecooling) to choose a qualifying window or roof evaporative cooler.

 **Generate your instant rebate promo code:**

- Select where you will purchase your cooler.
- Enter the account holder's Xcel Energy account number, last name and address.
- Complete all required fields as prompted.

 **Apply your instant rebate promo code** at The Home Depot or Lowe's checkout. You'll save **\$300 OFF** the sticker price!

### About this instant rebate promo code:

- It is intended for use with only qualifying evaporative coolers for only qualifying customers.
- Portable coolers are not eligible.
- It can't be more than the retail cost of the cooler.
- It expires on September 30. Xcel Energy may change the rules at any time.

You will need to use a post-purchase rebate application if either of these apply to you:

- You already generated an instant rebate promo code.
- An evaporative cooler rebate was given to you in the past two years.

All other terms and conditions apply. Please visit [www.xcelenergy.com/evaporativecooling](https://www.xcelenergy.com/evaporativecooling) for details.
