Rebate details

Xcel Energy issues cash rebates in the form of checks, not utility bill credits. Xcel Energy is not responsible if your contractor provided inaccurate information about the amount and/or conditions of the actual rebate or equipment eligibility.

Application details

Account holder applications must be postmarked no later than September 30 of the year following purchase date of qualifying equipment.

No phone calls will be accepted to provide equipment verification.

An application that is denied due to equipment ineligibility will not be accepted with changed model numbers.

A copy of the dated sales receipt or invoice must accompany complete information on the front of this form. The product invoice must specify all required information. Failure to complete this information will result in a returned application.

Xcel Energy reserves the right to refuse payment and participation if the account holder or contractor violates program rules and procedures. Xcel Energy is not liable for rebates promised to account holder as a result of a contractor misrepresenting the program. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties).

All information on the receipt or invoice must match the information on the rebate application or the application will not be processed.

We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. Your assistance is appreciated.

Limitations

Rebate qualifications and amounts are subject to change anytime. Our rebate programs may be cancelled with 30 days notice.

Please visit us at xcelenergy.com/HomeRebates or call 800-895-4999 to determine whether any program changes have occurred.

Special promotions

During special promotions for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Xcel Energy will not pay special promotion incentive dollars in the event that a form is lost or not postmarked by the deadline. No exceptions. Promotional rebate amounts will be automatically calculated by Xcel Energy. Promotion deadlines close at midnight on the date the application is due, with no exceptions.

Help with forms

If you are building a new home, you must obtain a sales receipt for the equipment from your builder. Only one rebate per piece of equipment will be paid.

If you have questions while filling out this form, please contact your contractor for assistance. Please allow at least six to eight weeks for your rebate to arrive.

Qualifying account holders

Xcel Energy electric residential account holders in Minnesota are eligible for rebates when buying qualifying, high-efficiency, new mini-split heat pumps. Reconditioned equipment is not eligible.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy rebate program.

Efficiency rating	Rebate
Mini-split heat pump with gas furnace (15+ SEER, 11+ EER; 9+ HSPF)	\$300
Mini-split heat pump with electric resistance heat (15+ SEER, 11+ EER; 9+ HSPF)	\$600

Qualifying equipment

Mini-split heat pumps must be rated with a minimum efficiency level of 15 SEER, 11 EER and 9 HSPF.

Only residential equipment listed on the AHRI directory (ahridirectory.org) will qualify. Efficiency ratings are determined using the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory, ahridirectory.org. Submitting an AHRI certificate with your application and invoice is highly recommended.

Please include the items listed below on your application form and purchase receipt/invoice. If all of the items are not included the rebate cannot be given.
