home with local
solar and wind
energy

Introducing Renewable*Connect

Choose a low-cost renewable energy option

Adding more green energy to your life just got easier. Power your home with a blend of solar and wind energy simply by subscribing to **Renewable*Connect**.

Benefits that suit your lifestyle

1

Flexible terms

You have a choice of three subscription terms—month-to-month, five-year or 10-year.

2

Locked-in pricing

Your pricing schedule is fixed for the length of your subscription.

3

Local energy sources

The solar and wind energy is produced right here in Minnesota.

4

Renewable Energy Credits (RECs)

The RECs associated with the renewable energy you subscribe to are yours to claim and promote.
