

# Application Fee Form

The Application Fee check enclosed is for the following project:

**Application Name:** Reddy Kilowatt  
**Application Address:** 123 Main Street, Minneapolis, MN 55401  
**Application Initial Submission Date:** 3/1/2010  
**Application Deposit Amount:** \$250.00  
**Application System Size:** 10 kW

It is understood that the Application Fee is used to cover engineering costs associated with approving line diagrams & site plans.

It is understood that the one-time Application Fee is non-refundable unless engineering costs (including, but not limited to those listed above) are not incurred for the application.

IF eligible for refund, this application deposit will be refunded to the original provider. It will be mailed to the name and address found on the check enclosed.

**It is understood that the applicant must sign this form to acknowledge their awareness of the Application Fee, even if they are not the provider.**
