TERMS & CONDITIONS

Rebate details

Xcel Energy issues rebates in the form of a check to the account holder. Please keep in mind that the rebate amounts are the **maximum amount** a customer can receive; there may be instances where customers do not qualify for the full amount.

Qualifying account holders

For rebates to be approved, customers must have residential electric service with Xcel Energy. Customers with only gas service with Xcel Energy will not be eligible for these rebates. Customers with electric and gas service with Xcel Energy are eligible. Only home-based landscaping companies with residential electric service are eligible for commercial rebates.

Application details

Applications must include complete customer information and information about the equipment, including but not limited to: manufacturer name, model number and serial number. In addition to this rebate application, send Xcel Energy a dated purchase receipt invoice that includes a description and cost of the purchase. Proposals or estimates are not acceptable forms for proof of purchase.

Please visit us at xcelenergy.com/OutdoorEquipment or call 800-895-4999 for more information. **All information on the receipt or invoice must precisely match the information on the rebate application or the application will be returned.** We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on this form. Your assistance is appreciated.

Limitations

Rebates are only available for purchases of new qualified equipment; used or pre-owned equipment is not eligible for the rebate. Equipment purchased **must be battery powered** to qualify. Rebates are limited to **two riding lawn mowers and five push lawn mowers per account holder per year**. Our rebate programs may be cancelled or modified with 30 days notice. Xcel Energy reserves the right to refuse payment and participation if the account holder violates program rules, terms or procedures. Xcel Energy does not expressly or implicitly warrant the performance of purchased equipment.

Special promotions

During special promotions for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Promotional rebate amounts will be automatically calculated by Xcel Energy.

Help with forms

If you have questions while filling out this form, please call 800-895-4999, where one of our customer service representatives will be able to provide assistance. Please allow up to eight weeks for your rebate to arrive. You can call 800-895-4999 for status of your application.
