

NSPM 2021 SHERCO SOLAR RFP ADDENDUM 1

JANUARY 11, 2021

This addendum 1 to the NSPM 2021 Sherco Solar Resource RFP provides a clarification regarding the scope of work sought through this RFP.

Through this RFP, Northern States Power Company, a Minnesota corporation (NSPM) intends to solicit proposals via Build Transfer Agreements only. As part of their Build Transfer proposals, bidders are expected to indicate how they will procure all aspects needed for the RFP Project development, including the procurement of the necessary land on which the RFP Project will be located.
