RESIDENTIAL HIGH EFFICIENCY HEATING SYSTEM REBATE WITH ECM

REBATE GUIDELINES

The qualifying equipment must be installed in a Minnesota home served with natural gas from CenterPoint Energy between January 1 and December 31, 2014.

Heating dealers are not eligible to receive their customer's rebate.

Building contractors should negotiate with homeowners to determine who receives the rebate.

Equipment installed under warranty replacement does not qualify for the rebate.

CenterPoint Energy reserves the right to inspect the installed equipment.

The rebate applies to new equipment listed and AFUE verified in the Air Conditioning, Heating and Refrigeration Institute (AHRI) directory. See: AHRIdirectory.org.

2014 REBATE OFFERING

Mail-in rebate	Type of heating system	AFUE rating according to AHRI directory-AHRIdirectory.org
\$150	Forced air furnace (replacement)	92-93.9%
\$300	Forced air furnace (replacement)	94-95.9%
\$400	Forced air furnace (replacement)	96.0% or higher
\$50	Forced air furnace (new construction)	92-94.9%
\$350	Forced air furnace (new construction)	95.0% or higher
\$300	Natural gas boiler	83.5-90.9%
\$500	Natural gas boiler	91% or higher

REBATE APPLICATION AND INVOICE

Work with your heating dealer to complete the entire rebate application and obtain a dated sales invoice showing the detail of what was purchased and installed.

Required information on dated sales invoice includes: Brand, complete model number and serial number of heating system. We also need the dealer company name and address.

The purchaser of the heating system and a representative from your retail dealer or heating dealer are required to sign the rebate application.

CenterPoint Energy cannot process a rebate without all the requested information on the rebate form and invoice.

REBATE PROCESSING

Rebate will be issued for equipment installed between Jan 1, 2014 and Dec. 31, 2014.

All requested paperwork needs to be submitted by December 31 in the calendar year of installation. Program closes December 31, 2014 and all completed forms must be post-marked by December 31 in order to be considered for a rebate.

Completed rebate forms will be processed in the order in which they are received and are paid on a first-come, first served basis.

Account number must be activated for installation address in order for rebate to be processed.

CenterPoint Energy is not responsible if the dealer does not provide accurate information about the amount of a rebate or equipment eligibility.

Rebate qualifications and amounts are subject to change. CenterPoint Energy Conservation Improvement Program (CIP) rebate programs may be cancelled or changed at any time.

CenterPoint Energy issues a cash rebate not utility bill credits. Please allow 8 weeks to receive payment in the mail from the time that CenterPoint Energy receives your completed paperwork.

2014 ECM INSTALLED WITH HIGH EFFICIENCY HEATING SYSTEM

Rebate Details

Xcel Energy issues cash rebates in the form of checks, not utility bill credits. Xcel Energy is not responsible for inaccurate information provided by other sources about the amount and/or conditions of the actual rebate or equipment eligibility. Rebate requests within five years of a previous request for a previously rebated piece of equipment at the same premise will not be accepted.

Application Details

Qualifying equipment must be purchased and installed between January 1, 2014 and December 31, 2014.

2013 Installations: Applications for 2013 installations that are postmarked between January 1, 2014 and July 31, 2014 will receive 2013 rebate amounts.

2014 Installations: Applications for 2014 installations must be postmarked by July 31, 2015.

No phone calls will be accepted to provide equipment verification.

An application that is denied due to equipment ineligibility will not be accepted with changed model numbers.

A copy of the dated sales receipt or invoice must accompany complete information on the front of this form. The product invoice must specify all required information. Failure to complete this information will result in a returned application.

Xcel Energy reserves the right to refuse payment and participation if the customer or contractor violates program rules and procedures. Xcel Energy is not liable for rebate promised to customer as a result of a contractor misrepresenting the program. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties).

All information on the receipt or invoice must match the information on the rebate application or the application will not be processed.

We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. If we select your application for a random inspection, the rebate application will not be processed until the inspection has been satisfactorily completed. Inspections may also be performed after rebate payment at Xcel Energy's discretion.

Limitations

Rebate qualifications and amounts are subject to change any time. Our rebate programs may be cancelled with 30 days notice.

Please visit us at xcelenergy.com/homerebates or call 1-800-895-4999 to determine whether any program changes have occurred.

Special Promotions

In the event of a special promotion for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Xcel Energy will not pay special promotion incentive dollars in the event that a form is lost or not postmarked by the deadline. Promotional rebate amounts will be automatically calculated by Xcel Energy. Promotion deadlines close at midnight on the date the application is due, with no exceptions.

Help With Forms

If you are building a new home, you must obtain a sales receipt for the equipment from your builder or retailer. Only one rebate per piece of equipment will be paid.

If you have questions while filling out this form, please contact your contractor or retailer for assistance. Please allow at least six weeks for your rebate to arrive.

Qualifying Account Holders

Xcel Energy natural gas residential account holders in Minnesota are eligible for heating system rebates when buying qualifying equipment (reconditioned equipment is not eligible). Xcel Energy electric residential account holders in Minnesota only are eligible for the ECM rebate when buying a qualifying furnace (after market ECM's do not qualify).

The program is applicable only for the purchase and installation of qualifying equipment sold by participating contractors or retailers for installation in new or replacement applications where natural gas, or electric for ECM rebate, is supplied by Xcel Energy at Xcel Energy retail rebates.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy Rebate program. Rebates for new home construction should be negotiated between the builder and resident or new home buyer to determine who receives the rebate.

Qualifying Equipment

ECM must be installed with new high-efficiency heating system installation. Submit white copy of this rebate application to CenterPoint Energy for processing in the calendar year of installation.

Electronically Commutated Motors (ECM) Rebate

ECM rebate applies to Xcel Energy electric customer's in Minnesota only.

Forced air furnaces with ECM's will be validated via OEM spec sheets or OEM web-sites. Customers are encouraged to submit an OEM spec sheet with the rebate form.

Retro fit motors to existing furnaces do not qualify. ECM rebate is for new OEM equipment that is manufactured with an ECM.

ECM rebate amount is \$100.

Please include the items listed below on your application form and purchase receipt. If all of the items are not included the application will be returned.
