RENEWABLE*CONNECT	
SCHEDULE RC	
<u>RULES AND REGULATIONS – Cont'd</u>	
<p>12. Early termination fees shall be as stipulated in the Renewable*Connect Subscriber Agreement for participants in the 5-Year and 10-Year term offer. For subscribers receiving service under Schedules R and RD the termination fee will be fifty dollars (\$50.00). For subscribers receiving service under the C schedule the termination fee will be one hundred dollars (\$100.00). For all other service schedules the charge will be twenty five dollars (\$25.00) per Kilowatt of subscription.</p> <p>13. Customers under the General Service rate schedules outlined above who are receiving optional additional services under schedules PV, SRCS, and NM shall be allowed to subscribe to Renewable*Connect in an amount no greater than 100% of their net usage, i.e., the portion of their total energy usage not served by those other programs. Similarly, Renewable*Connect participants can choose to enroll under schedules PV, SRCS, and NM on the basis of their remaining energy consumption not served through Renewable*Connect.</p>
