

Solar*Rewards Application Extension Request Form

An Applicant or Installer must complete this form in order to request a one-time extension of 60 calendar days for a Solar*Rewards application. Please submit completed form via email to solarprogram@xcelenergy.com.

Application Details:

Application OID-

App Creation Date-

Customer Name-

PV Install Address-

Minimum Extension Request Requirements:

To qualify for an extension, the following must be true...

- The application is within 60 calendar days of the expiration date
- The request is made at least 2 weeks prior to the project expiration date
- Engineering review has been completed and the application is at the Final Documentation stage

Explanation for Extension Request:

Please explain the reason for the extension request. Your request will be reviewed and you will receive an email reply to your request. We reserve the right to deny an extension request, and to change the extension policy at any time if it no longer aligns with program objectives.

For an application to be considered Complete for this deadline, the application must have all required documents executed for the Final Documentation stage, including the signed REC Contract. If the application is not completed by the end of the 60 day extension period, the application will be canceled and the deposit forfeited to the RESA. The installer will then have to re-apply, starting over with a new application, under the current program offering.
