## 2016 Test Year Rebuttal Adjustment Prairie Island Tribal Payment Reallocation

Purpose: The Company included in the 2016 test year the costs associated with the 2003 Settlement Agreement between the Company and the Prairie Island Indian Community. However, these costs should have been direct assigned to the Minnesota Electric Jurisdiction, but were allocated to all NSPM jurisdictions. This adjustment reallocates the PI Tribal Payments to Minnesota Jurisdiction.

Purpose:

Original adjustment intended to remove 50% of non-recoverable Economic Development Administrative expenses from the test year. However, the adjustment was incorporated with the incorrect sign, and inadvertantly increased test year expenses. This Rebuttal adjustments removes the original increase, and further reduces the test year by the intended amount.
