

Wisconsin Commercial and Industrial Service Rates

Effective Jan. 1, 2018, for Xcel Energy electric and natural gas customers.

Electric service

The Public Service Commission of Wisconsin has approved a 1.35 percent overall increase to electric base rates effective Jan. 1, 2018. The change is necessary to continue to provide reliable, safe and clean energy. The increase is for infrastructure improvements and operating and maintenance expenses, and includes an update for 2018 fuel and purchased power costs.

Natural gas service

The Public Service Commission of Wisconsin has approved an 8.3 percent overall increase to natural gas base rates effective Jan. 1, 2018.

Your bill shows separate charges for distribution (what we charge for delivering gas) and gas supply (what we pay to acquire gas). The gas supply charge, shown below as of December 2017, changes monthly and is approved by the Public Service Commission of Wisconsin.

General service

Available on a firm basis to non-residential customers.	
Customer charge	\$29.00/mo.
Distribution charge	\$0.2245/therm
Gas supply charge	\$0.4299/therm

Distribution-only service

Distribution service is available for firm or interruptible customers who choose to procure their own gas supply. For customers who choose distribution-only service, the gas supply charge does not apply. There is an additional administrative fee of \$50 per month for this service.

Interruptible service

Available under contract for customers who meet the company's interruptible service requirements.

Interruptible—Small

Customer charge	\$100.00/mo.
Distribution charge	\$0.1450/therm
Gas supply charge	\$0.3164/therm
<i>Less than 200,000 therms/yr.</i>	

Interruptible—Medium

Customer charge	\$325.00/mo.
Distribution charge	\$0.1049/therm
Gas supply charge	\$0.3164/therm
<i>200,000-2,000,000 therms/yr.</i>	

Interruptible—Large

Customer charge	\$550.00/mo.
Distribution charge	\$0.0850/therm
Gas supply charge	\$0.3164/therm
<i>Greater than 2,000,000 therms/yr.</i>
