

Underground service prices

Where electric service is provided underground, Residential Underground prices apply.

Basic service charge\$10.25

Optional services

You may sign up for any one of the optional electric services shown. Please call us at **800.895.4999** for more information and to help determine which service and rate are best for your electric needs.

Minimum charge

Your monthly minimum bill will always include the Basic Service Charge or any applicable Customer Charge even if energy use for the month is zero.

Fuel Cost Charge (FCC)

The Fuel Cost Charge recovers the cost of fuel used to produce electricity and energy purchased on the wholesale electricity market. This charge differs slightly by customer class based on class energy use patterns and is updated monthly for current costs.

Other riders

Bills are subject to the adjustments provided for in the Transmission Cost Recovery Rider, the Environmental Cost Recovery Rider, the Demand Side Management Cost Adjustment Factor and the Infrastructure Rider.

City fees

Xcel Energy collects fees for the communities of Fedora and Forestburg by including a surcharge on customer bills in these communities to cover part of the cost of providing street lighting.

Sales tax

State sales tax applies to charges for utility service, Fuel Clause Adjustment and city fees. The following cities charge a city sales tax: Alexandria, Artesian, Baltic, Brandon, Bridgewater, Canistota, Canova, Canton, Carthage, Centerville, Chancellor, Crooks, Dell Rapids, Emery, Garretson, Harrisburg, Lennox, Marion, Monroe, Ramona, Salem, Sherman, Sioux Falls, Tea and Worthing.

Service processing, reconnection and relock charges

- \$12 charge for processing service changes
- \$35 reconnection charge to resume service after disconnection
- \$100 relock charge to resume service after unauthorized reconnection

Late payment charge

Past due amounts are subject to a late payment charge of 1 percent of the unpaid portion and this is applied to the next month's bill.

Returned check charge

Xcel Energy charges \$15 for any payments by check or draft dishonored or returned by a financial institution.

Other information

This brochure does not include all prices, rules or regulations. Complete rate schedules and terms and conditions for these and other optional rate services are available by calling us at **800.895.4999**.

Monitor your account and manage your bills—online

The **My Account** site offers you many options to view and pay your energy bill. It's also a single stop for your energy management needs. Best of all, it's accessible anytime, anywhere from any device. Visit xcelenergy.com/MyAccount and register.

XCEL ENERGY SOUTH DAKOTA Residential Electric Prices (Effective July 1, 2015)

Welcome To Xcel Energy

We're your energy partner and want to help you understand more about the electric services we offer and the rates you see on your energy bill. We know energy rates can be complicated so we developed this brochure to simplify information and explain your service options. Please call us at 800.895.4999 for current prices or bill information. A description of terms is located on the back of your bill or visit our website at xcelenergy.com, select South Dakota from drop-down menu at right of page, then "Billing & Payment" and "Understanding Your Bill."

Residential electric services and rates

The electricity you use is measured in kilowatt-hours (kWh), recorded by your electric meter and shown on your bill each month under Meter Reading Information. Your kWh use, kWh charge and other charges relating to your electric service appear on your bill under Electric Charges.

Standard residential service is available to any customer for domestic purposes living in a single private residence, multiplex, townhouse, condominium, etc. Your monthly bill will show:

Basic service charge\$8.25

This fixed charge covers the costs of metering, billing, customer service, and other costs that do not vary with the amount of electricity you use.

Energy charge per kWh:

June through September
All kWh.....\$0.09071

October through May
First 1000 kWh.....\$0.07503

More than 1000 kWh
Without electric space heating.....\$0.07235
With electric space heating.....\$0.04803

Optional Service	Description	Monthly Charges and/or Rate
<p>Time of day electric service</p> <p>On this optional service, the energy price is higher during on-peak times when electricity is more expensive to generate and lower during off-peak times when it is less expensive to generate.</p> <p>A minimum of 12 consecutive months is required for participation.</p>	<p>On-peak times: 9 a.m. to 9 p.m. Monday through Friday.</p> <p>Off-Peak times: All other hours, plus New Year's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day; and Fridays directly before Saturday holidays and Mondays immediately following Sunday holidays.</p>	<p>Basic service charge\$10.25 Underground basic service charge.....\$12.25</p> <p>On-peak energy charge per kWh: June through September\$0.18939 October through May without electric space heating.....\$0.14704 October through May with electric space heating\$0.12444</p> <p>Off-peak energy charge per kWh: All months\$0.03010</p>
<p>Residential heat pump service</p> <p>This optional service is available to standard service customers with permanently connected and separately metered air or ground source heat pumps that are under Xcel Energy control</p> <p>A minimum of 12 consecutive months is required for participation.</p>	<p>The customer's heat pump will normally be cycled on a schedule of 15 minutes on and 15 minutes off for six hours on high demand weekdays during summer months.</p>	<p>Basic service charge\$3.05</p> <p>Energy charge per kWh June through September\$0.07281 October through May\$0.04678</p>
<p>Controlled air conditioning service (Saver's Switch®)</p> <p>This optional service is available to customers with central air conditioning that is under Xcel Energy's control. Participating customer may also add the controlled electric water heating option.</p> <p>Minimum term is 12 months.</p>	<p>The customer's equipment will normally be cycled on a schedule of 15 minutes on and 15 minutes off for six hours on high demand weekdays during summer months. Water heating may also be controlled during winter months.</p>	<p>Air conditioning credit (June through September) 15 Percent of billed energy and fuel cost charges</p> <p>Water heating credit (January through December) 2 percent of billed energy and fuel cost charges</p>
<p>Energy-controlled service (non-demand metered)</p> <p>This optional service is available to Xcel Energy customers with permanently connected, separately served interruptible electric heating loads up to 50 kW that are under Xcel Energy's control.</p> <p>A minimum of 12 consecutive months is required for participation.</p>	<p>Qualifying electric loads include dual fuel storage space heating, water heating and other loads subject to Xcel Energy's approval that can be served by electricity and an alternate fuel. Xcel Energy customers use the alternate fuel to supply heating needs if electric service is interrupted because our system demands increase to the point where less efficient power plants are used or new peak demands are set.</p>	<p>Basic service charge\$3.05 Energy charge per kWh\$0.04018</p> <p>Optional Energy Charge is available to customers with heat pump installations for non-interruptible service during June through September billing months.</p> <p>Optional Energy Charge per kWh June through September\$0.09071 October through May\$0.04018</p>
<p>Limited off peak service</p> <p>This optional service is available to Xcel Energy customers for energy use only from 10 p.m. to 6:30 a.m. daily.</p> <p>Minimum term is 12 months.</p>	<p>Permanently connected loads are separately metered. Customer or Xcel Energy must control and energize load only during the limited off-peak period.</p>	<p>Basic service charge\$3.05 Energy charge per kWh.....\$0.0277 Minimum charge per month.....\$8.00</p>
<p>Automatic protective lighting service</p>	<p>This optional service is available to customers for nighttime security lighting.</p>	<p>Monthly charge per Light</p> <p>100 Watt Area Lighting.....\$7.93 250 Watt Area Lighting.....\$14.14 250 Watt Directional Lighting.....\$15.70 400 Watt Directional Lighting.....\$19.69</p>
